

The Heart Of

WHO WEARE

Captain Developments is an entity that has been built over many years in the field of real estate development. The company has been able to implement many projects and develop hundreds of housing units in Egypt. The company has a strong precedent as a real estate developer and engineering consultant that has proven that it is the most capable of breaking into the real estate market strongly in the coming periods and expanding its client base.

من نحن

Captain Developments كيان تم بناءه في سنوات طويلة في مجال التطوير العقاري استطاعت الشركة تنفيذ العديد من المشروعات وتطوير مئات الوحدات السكنية داخل مصر فتمتلك الشــركة ســابقة اعمال قوية كمطور عقاري واستشــاري هندســي أثبتت أنها الدقدر علي اقتحام سوق العقارات بقوة في الفترات القادمة والتوسع في قاعدة عملائها

Why New Capital

A great edifice built to complement the modern architectural renaissance, inspiring the Egyptian civilization with modern specifications. We are referring to 170 thousand acres that are being developed with a global strategy to be the largest smart city in the Middle East. As for the location, east Cairo; is considered a strategic location due to its proximity to the Suez Canal area, regional roads, and the main axes between Cairo-Suez Road and Cairo-Ain Al-Sukhna Road, east of the regional Ring Road, after New Cairo and the Madinaty and Mostakbal projects. The site is about 60 km from the city of Suez and Ain Sukhna, and also 60 km from the heart of Cairo.

It consists of several neighborhoods strategically divided with efficient infrastructure

Downtown The heart of the city

Technically speaking, the downtown area has always been the heart of the city, the location and the soul.

Here, in the New Administrative Capital, the down town district is the heart of the capital and includes the largest investment projects.

The Downtown area is located in the first phase of the capital between the Green River, the government district, the Misr Mosque, and the Al-Massa Hotel, close to the Presidential Palace and the International Administrative Capital Airport.

من الناحية الفنية ، كانت منطقة الداون تاون دائمًا قلب المدينة والموقع والروح.

هنا ، في العاصمة الإدارية الجديدة ، منطقة الداون تاون هي قلب العاصمة وتضم أكبر المشاريع الدستثمارية.

تقع منطقة الحاون تاون في المرحلة الثولى من العاصمة بين النهر الأخضر والحي الحكومي ومسجد مصر وفندق الماسة بالقرب من القصر الرئاسي ومطار العاصمة الإدارية الدولي.

A Prime Location

"The best investment starts from the best location". Therefore, at Smart Tower, we guarantee you the most powerful investment experience ever; This is because it overlooks the most important landmarks in the New Administrative Capital.

Smart Tower has two distinct facades, one of them overlooks a main street in front of a university and a hospital, which ensures widespread popularity in the area, and the other overlooks the tourist walkway directly in front of Al Masa Hotel, which is one of the most important landmarks of the New Administrative Capital. Smart Tower is a major attraction, as Smart Tower is located in the heart of the commercial district, and it is a luxury destination. Owns a bespoke mix of tenants to maximize customer satisfaction, convenience, and experience.
