ABOUT Rován Developmenis

01 ABOUT Rovan Developmenis

Rovan Developmenis Company is considered one of the strongest leading companies in the field of real estate investment in Egypt, and it is one of the real estate competitors in the Egyptian market as news of the start of its construction works circulated very quickly in major newspapers and magazines, and it is the owner of the first and largest technology mall in the New Administrative Capital.

ABOUT
**New Administrative
Capital**

The New Administrative Capital is established to be a home to Egypt's globally renowned prime economic environment of more than hundreds of thousands of professionals functioning across dynamic registered companies – creating the largest and most diverse pool of commercial talent in Egypt.

Hotels and public spaces, the downtown hub district is set to be Egypt's most exclusive business and lifestyle destination.

ABOUT Evora Mall

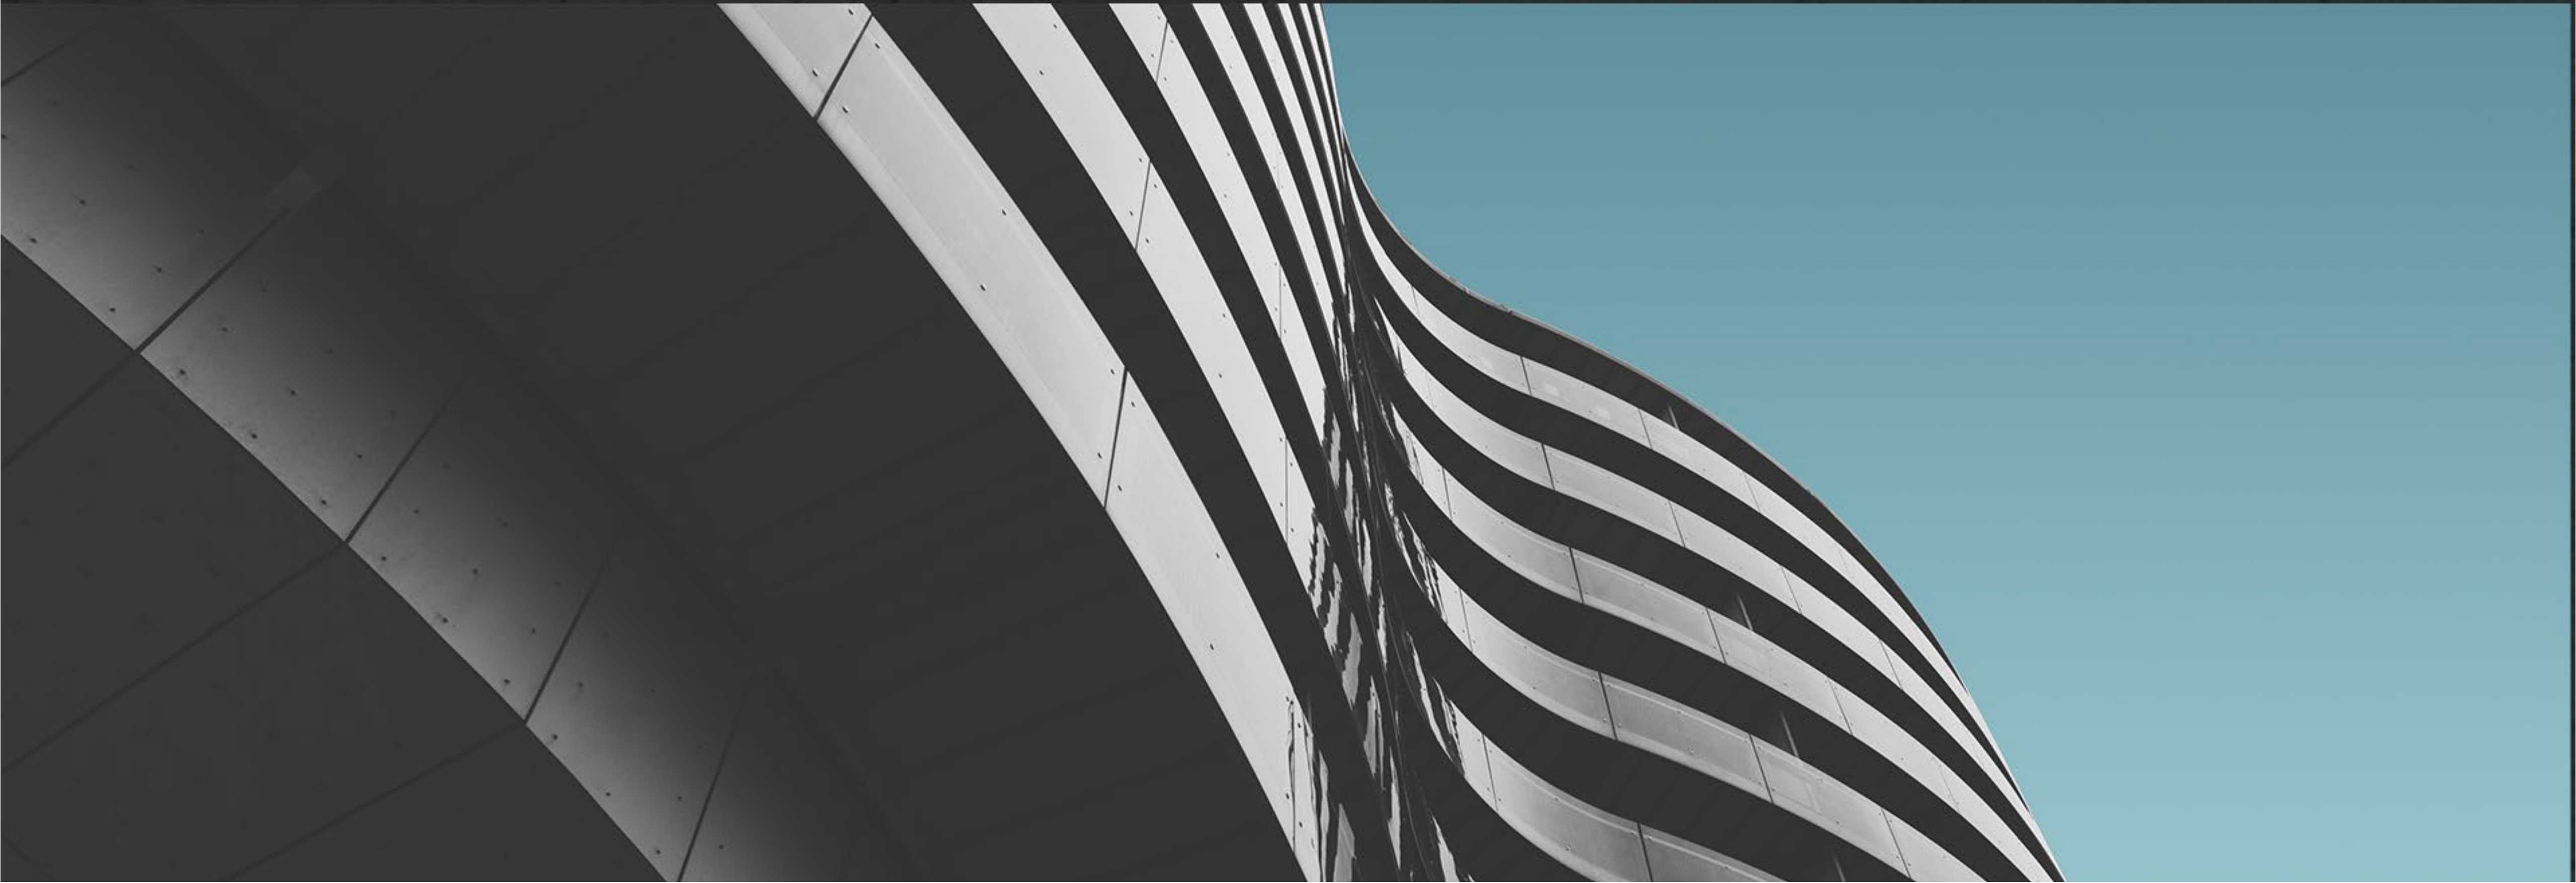

02

ABOUT
Evora Mall

Evora Mall is the largest and first technology mall in the new administrative capital, as the mall will be specialized at the administrative and commercial levels only, but with the highest level of quality and technology.

Where the head of the title company stated that they will be the main factor in the construction of this mall, and the huge investment that Address has put in to construct this mall is the biggest evidence that Evora Mall will be one of the largest and most powerful projects of the serious administrative capital.

Exterior shots

A detailed architectural floor plan of a building, rendered in a dark, semi-transparent style. The plan shows various rooms, corridors, and a central curved staircase. Grid lines are visible, with letters A through H along the right edge and numbers 1 through 7 along the bottom edge. The overall aesthetic is technical and professional.
